

**Within the Implementation Framework
 Concepts to Improve Public Information on
 Ukraine's Euro-Atlantic Integration for 2019,
 Within the English-language Club, operating under
 O. S. Popov Odessa National Academy of Telecommunications
 Supported by U.S. Peace Corps in Ukraine
 The competition «Ukraine and the EU: Pros and Cons» is announced.**

The competition «Ukraine and the EU: Pros and Cons» provides for the recognition of the best student works in English in economics or management at two levels of education for applicants: secondary and higher education. There are two divisions within each level:

General secondary education:

Division I – Students of the 9th Form

Division II – Students of 10-11th Forms

Higher education:

Division I – Baccalaureate

Division II – Master's

At each level within the division, the winner will be determined by the results of the presentation of students' ideas regarding development of economy of Ukraine.

Winners of each division will receive cash prizes:

1000 UAH for the best presentation – Secondary Division I;

1000 UAH for the best presentation – Secondary Division II;

2000 UAH for the best presentation – Baccalaureate;

2000 UAH for the best presentation – Master's.

Prizes funded by the "Robert A. and Thelma J. Hall Educational Foundation", USA

Conditions for participation in the competition

The competition provides stages in each level.

In the first stage – submission of application and annotation of the presentation by the participants of the contest. According to the results of consideration of applications and abstracts, the Contest Commission will select the **ten best presentations of each division** to participate in the second stage. In the second stage – presentation of the idea and results of research by participants, publication of materials of the competition in electronic form. The winners will be announced based on the results of the judges' evaluations.

Participants

1) According to the level of comprehensive education:

Division I – Pupils from the 9th Form: candidates from comprehensive schools (pupils), both from usual and profile classes in Economics and Management can participate in the competition.

Division II – Pupils from 10th and 11th Forms: pupils from the 10-11th forms: candidates from comprehensive schools (pupils), both from usual and profile classes in Economics and Management.

2) According to the level of higher education:

Division I – Baccalaureate: candidates of higher education from full-time and correspondence forms (distance) of study in specialties "Economics" or "Management" with a Bachelor's degree from any university-level educational institution in Odessa (including the last year of study) can participate in a competition.

Division II – Master: candidates of higher education from full-time and correspondence forms (distance) of study in specialties "Economics" or "Management" with a Master's degree from any university-level educational institution in Odessa (it doesn't depend on a year of study) can participate in a competition.

Competition stages

1st Stage – Applications accepted until 17⁰⁰, **01.10.19**. The application should include the **application form** and a **summary of the paper** for participation in the competition in electronic form and be sent to arnika@ukr.net with a subject line "Конкурс_ Ukraine and the EU: Pros and Cons";

2nd Stage – the presentation of the results on **15.11.19**.

Requirements for the summary.

Each participant of the competition should send a **one-page (no more than 2000 letters) summary in English** with the application in electronic form in **.doc** or **.docx** file and **pdf**, , **Times New Roman** font, **size 12**, **paragraph spacing 1.25**, **margins of 2 cm from all directions**. The summary has to contain such basic elements as: **surname, name, full name of the participant, the name of an institution, the name of the report, a research objective, the idea of the proposed solution, for contestants of two nominations according to the level of higher education – results of research and conclusions**.

Summaries of participants which meet the requirements listed above will be published in materials according to the results of a competition "Ukraine and the EU: Pros and Cons" in an electronic form. They will be sent to each participant.

Requirements of the presentation.

The presentation has to meet the following requirements:

- to provide the original idea concerning the development of the economy of Ukraine in the conditions of Euro-Atlantic integration;
- to contain concrete results concerning idea introduction, particularly: recommendations, models, examples and so forth (for the contestants of two nominations according to the level of higher education);
- it should be presented in English;

- **it has to be saved in Power Point. Maximum quantity of slides is 5. The maximum time for the report with slides is 7 minutes.**

Procedure of estimation.

The winners of the competition is based on the sum of estimates of judges according to criteria (Tab. 1). Each participant can receive up to 100 (hundred) points.

Table 1. – Competition Judging Criteria

Criteria	Number of points for the secondary education level	Number of points for the higher education level
Idea	50	25
Results	-	25
English	25	25
Presentation	25	25

Форма заяви на участь у конкурсі

(заява подається українською та англійською мовами)

Ім'я та прізвище учня (студента)	
Номер телефону, електронна пошта	
Назва закладу освіти	
Клас / курс	
Рівень освіти	<input type="checkbox"/> загальносередня освіта <input type="checkbox"/> вища освіта
Номінація	<input type="checkbox"/> 9 клас <input type="checkbox"/> 10-11 клас <input type="checkbox"/> бакалавр <input type="checkbox"/> магістр
для студентів вищої освіти, додатково вказати: – спеціальність; – форма навчання (очна/заочна)
